EDUCATION

Suez Canal University

B.Sc. in Computer Engineering

- GPA: 3.46

Ismailia, Egypt

Oct. 2020 – July 2025

EXPERIENCE

ITI Summer Training - Advanced Frontend using React

Information Technology Institute

- Learned ES6 JavaScript, SASS, Responsive Design, and React.
- Built a complete Todo list application as a final project.
- Achieved 1st place in the training program.

Jul. 2024 – Aug. 2024

Ismailia, Egypt

ITI Winter Training - Intro to Computer Science

Information Technology Institute

- Mastered CS fundamentals via Harvard CS50 (C, Python, web, security).
- Collaborated on a feature-rich Discord bot using Python with 10+ features.

Feb. 2022 – Mar. 2022

Ismailia, Egypt

PROJECTS

Post-graduate Studies Platform | *Hono, PostgreSQL, Next.js*

- Led platform development for bylaws and registration.

ReviewWise | *Hono, PostgreSQL*

- Developed Trustpilot-like REST API using OOP and architecture patterns.

Tadoku | *Rust, Svelte, Tauri*

- Built a visual novel playtime tracker.

ISeeVision | *Frontend Project*

- Created and deployed landing page for a virtual tours business.

Music Streaming API | *ElysiaJS, SQLite, Prisma*

- Developed a REST API mimicking Spotify.

Low-Level Projects | *Rust*

- Implemented a multithreaded web server, simple TUI Text Editor, password cracker, and Huffman compression.

TOP CONTRIBUTIONS

Elysia: Fixed query key parsing issue, improving support for hyphens/dots.

IsomorphicGit: Fixed mergeTree bug with correct merge behavior on conflicting directories.

CERTIFICATIONS AND COURSES

AWS Cloud Practitioner

Fundamentals of Network Engineering

Fundamentals of Database Engineering

TECHNICAL SKILLS

Languages: TypeScript, JavaScript, Python, Rust, Zig (basic), Go (basic), PL/pgSQL

Frameworks/Tools: React, Next.js, Node.js, Express, Nest.js, Elysia, Fastify, Hono, Bun, Prisma, DrizzleORM, Tailwind CSS, Docker, Firebase, Git, GitHub, GitLab

Databases: PostgreSQL, MongoDB, SQLite, Supabase, Redis

Cloud: AWS

Other: CSS, HTML, Responsive Design

LANGUAGES

Arabic — Native | English — Advanced | Japanese — Conversational
